The Back to School Check-in process, which is a requirement for all Kindergarten through 12th grade P-CCS families to easily update medical, demographic, and contact information in MISTAR Parent Connection, opened on Monday, August 14. This process, and the information that is included, replaces the need to complete an emergency card for your student at the beginning of the 2023-24 school year.

Once logged into [MISTAR Parent Connection](#), you will look for the 'Back to School Check-in' link in the top of the home screen and follow the prompts. **This registration will be available starting on Monday, August 14, and will run until Friday, September 29. This process must be completed for all students.**

All steps to complete Back To School Check-In, including Transportation Plans for the 2023-24 school year are now available in Parent Connection. Parents/Guardians will log into Parent Connection and select the **Back To School Check-In** link at the top right once they have logged into their account.

For each student who will be attending P-CCS for 2023-24 they will click the 'Review Now' button. Please review **each step** in the **Back To School Check-In** process, which includes the Transportation step.
